

Frontend Developer

Recent computer engineering graduate and frontend developer with over 2 years of experience. Passionate about creating high-quality websites using Next.js, React.js, HTML, CSS, and JavaScript. Committed to writing clean code and optimizing performance to enhance user experience. Continuously learning and staying up-to-date with new technologies to bring innovative ideas to the table. Successfully developed a social media platform for sharing songs from scratch, demonstrating the ability to work independently and deliver high-quality results. Excited to contribute problem-solving skills, expertise, enthusiasm, and dedication to a dynamic team.
